

# Time for your screen test?

Free Eye Test and  
glasses for VDU users

## VDU Eyecare Plan

If you work on a computer or display screen, did you know you can get a free Eye Test at Vision Express?

If the test shows you need glasses for VDU use, you are also entitled to a free frame and a pair of prescription lenses from the Vision Express basic range, alternatively Vision Express will give you £45 off a pair of prescription glasses from any other range. You can also choose a higher priced frame or lenses by paying the difference.

### VDU Eyecare Plan features:

**Free Eye Test**  
with digital retinal photography

**£45 OFF from Vision Express**  
on prescription glasses with single vision lenses

### What next?

Contact your VDU  
Plan representative.
