EAST MIDLANDS ACADEMY TRUST: SCHEME OF DELEGATION AND TERMS OF REFERENCE

INTRODUCTION

East Midlands Academy Trust (“the Trust”) operates a family of schools¹. It is a company limited by guarantee and is an exempt charity which means that although it has the responsibilities that are placed upon charities it is not required to be registered with the Charity Commission or file documents there. The Trust is constituted under Articles of Association which set out the purposes (“Objects”) and powers of the Trust and how these are to be exercised. The Objects cannot be changed although they can be added to with the approval of the Secretary of State and the Charity Commission. The Objects are:-

to advance for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing, by establishing, maintaining, carrying on, managing and developing schools offering a broad and balanced curriculum (“the mainstream Academies”) or educational institutions which are principally concerned with providing full- time or part-time education for children of compulsory school age who, by reason of illness, exclusion from school or otherwise, may not for any period receive suitable education unless alternative provision is made for them (“the alternative provision Academies”) or 16 to 19 Academies offering a curriculum appropriate to the needs of its students (“the 16 to 19 Academies”) or schools specially organised to make special educational provision for pupils with Special Educational Needs (“the Special Academies”)

As a company limited by guarantee and to meet the requirements of company law the Trust has a dual governance level. It has

1. Members, the equivalent of shareholders in a commercial limited company, and
2. Trustees² who are the directors of the company and who together comprise the Trust Board (“TB”) and who report and are accountable to the Members. The TB has overall responsibility for the operation of the schools. It delegates functions that are specific to the individual schools to committees constituted as Local Governing Boards as prescribed by the Articles but described and referred to in this Scheme as Local Advisory Boards (“LAB”) and it delegates certain of its functions that relate to the Trust as a whole to other committees of the TB. The Chief Executive Officer (CEO) has delegated responsibility for the day to day operation of the Trust. The Chief Financial Officer (“CFO”) – who has the job title of Finance and Operations Director – has delegated responsibility for all financial matters subject to any direction from the CEO. Each school has a Headteacher (“HT”) who reports to the CEO and has delegated responsibility for the operation of the individual school.
3. An LAB may, but need not, have Trustees as members and the power of the TB to appoint LAB members (who have full voting powers) is unrestricted. In addition, the TB may appoint additional members (“AM”) of other committees on such terms as it thinks appropriate. Such members may be permitted to vote but no vote may be taken unless a majority of those attending the meeting at which the vote is taken are Trustees.

¹ All schools within the Trust, including any free schools that may be formed, are academies but the Trust uses the term “school” rather than “academy”

² Trustees are the equivalent of governors in stand-alone maintained schools.

The Trust intends to operate on the basis that the LAB of schools that are graded Good or better by Ofsted will report directly to the CEO and the TB while schools that are graded below Good will normally be supported by an Academy Improvement Team (“AIT”) working under the overall direction of the CEO and the LAB will work with and report via the AIT. As and when further schools join the Trust their capacity will be assessed and where the school is graded below Good by Ofsted or the CEO acting reasonably considers that, if currently inspected, the school would not achieve a grade of Good or better an AIT will be set up. The existence of an AIT will be monitored at least annually and changes will be made where perceived to be necessary.

This document sets how those various responsibilities are delegated and how the various constituent parts of the Trust are required to operate. Appendix One shows the delegation process for a range of decisions that arise, Appendix Two identifies the policies that the Trust maintains, Appendix Three sets out the general requirements in relation to calling and attending meetings and voting, Appendix Four summarises the position relating to conflicts of interest and sets out the Nolan Principles and Appendix Five gives outline guidance on organisational aspects of governance.

The Trust Board reserves the right to review or remove any power or responsibility which it has delegated, in particular, in circumstances where serious concerns in the running of an academy (or academies) are identified. Trustees have the authority to amend this Scheme of Delegation at any time.

MEMBERS

The Members have overall nominal responsibility for the Trust but they exercise their functions through the TB. Each Member guarantees to contribute £10 if the Trust were to become insolvent and be wound up – that is the “guarantee” implied by the term “company limited by guarantee”.

The main powers and duties of the Members in broad terms are:

1. To appoint and remove Trustees taking account of the competencies required by the DfE Competency Framework accessible at <https://www.gov.uk/government/publications/governance-handbook>
2. Through a collaborative process to monitor and evaluate the performance of the TB
3. To maintain the Membership and to appoint Members
4. To approve any proposed changes to the Articles of Association
5. To receive the annual accounts of the Trust

TRUSTEES

The Trustees are the directors of the trust and have a similar role to governors in a local authority-maintained school. As company directors their duties are to:-

- act within their powers;
- promote the success of the company;
- exercise independent judgment;
- exercise reasonable care, skill and diligence;
- avoid conflicts of interest;
- not to accept benefits from third parties; and
- declare any interest in proposed transactions or arrangements

Appendix Five sets out the Nolan Principles of public life and what is required of Trustees and Local Governors in relation to conflicts of interest.

TRUST BOARD

The TB focuses on the three core functions of governance:

1. Ensuring clarity of vision, ethos and strategic direction;
2. Holding the CEO to account for the educational performance of the schools and their pupils, and the performance management of staff; and
3. Overseeing the financial performance of the Trust and making sure its money is well spent.

Composition:

- Up to 12 Trustees appointed by the Members,
- The CEO if the Members appoint and the CEO agrees to act. It has, however, been decided that the CEO will not be appointed as a Trustee but will be entitled to attend and speak at all meetings of the TB and of every committee (including every LAB)
- Any Trustees co-opted by those Trustees who are not themselves co-opted Trustees.
- Elected Parent Trustees (if any) as determined by the Members In certain circumstances³

Quorum: One-third of the total number of Trustees in post or 3 if higher

Meetings: At least three each year convened on seven clear days' notice except in emergency as determined by the Chair

Responsibilities retained by the TB

- Deciding upon major strategic and legal aspects such as:
 - Establishing a new school
 - Discontinuing or merging existing ones
 - Disposal of land otherwise than for operational letting or hire purposes
 - Recommending amendments to the Articles of Association
- Adopting the strategic plan for the Trust which will include individual strategic plans for each school
- General oversight of strategic and operational risk identification and management
- Procurement requiring the publication of OJEU advertisements
- Approving the overall budget for the Trust and its devolution to each academy

³ Namely, If there are no LABs or each LAB does not have provision for at least two parent local governors. Then the TB must contain at least 2 elected parent Trustees

- Approving the annual accounts of the Trust
- Ensuring that all regulatory requirements are met
- Recommending appointment of Members, Trustees and members of LAB and co-opting additional Trustees including conducting skills audits as required
- Securing that all Trustees and members of LAB are appropriately trained
- Approving all policies that the Trust by law is required to maintain. All policies originate from the CEO. A schedule of policies is attached as Appendix Two and shows where detailed consideration of each takes place and with whom consultation takes place
- Determining each year the scheme of delegation and terms of reference including approving the membership of all committees
- Determining admission arrangements for each school
- Ensuring and monitoring compliance with Admissions Code
- Establishing arrangements for independent appeals against refusals to admit pupils to an school
- Establishing arrangements for independent review panels to review permanent exclusions

APPENDIX TWO: POLICIES MAINTAINED BY THE ACADEMY TRUST REQUIRING TRUST REVIEW AND ADOPTION

Note: all required policies are initiated by CEO at the direction of CEO. All policies are to be reviewed every three years unless shown otherwise or a change of legislation, DfE requirements or policy requires a sooner review. The Trust Board will set a review timetable to secure a rolling cycle of review.

This Appendix only specifies policies that are required under statute or are referenced in statutory guidance or the Academies Financial Handbook. The Trust will maintain other operational policies as determined from time to time by the TB or CEO

APPENDIX THREE: PROVISIONS RELATING TO MEETINGS AND VOTING

NB. The Articles contain very detailed provisions regarding the calling of meetings, how they are conducted and voting. What follows is a brief summary and reference should be made to the Articles if particular questions arise.

1. Calling meetings

Meetings of Members and of Trustees are convened by the Clerk.

2. Meetings of Members

Members must hold an Annual General Meeting each year. The Trustees decide when and where the meeting is to take place and the Trustees may also call a General Meeting if required. This would normally be to decide on the appointment or removal of Trustees or the amendment of the Articles. The Trustees must call a General Meeting if the Members require them to do so.

14 clear days' notice must be given, i.e. for a meeting to be held on a Thursday notice must be given on or before the Wednesday two weeks before. However, shorter notice can be given if agreed to by a majority of Members having at least 90% of the right to attend and vote. That means that unless there are 10 Members, a meeting can only be called on short notice if all agree.

The notice of the meeting must state time and place of the meeting and should indicate in general terms what business is to be discussed. It should also state to right to appoint a proxy.

There must be a quorum present – normally specified in the Articles as two people entitled to attend and vote. Although all Trustees are entitled to attend and speak at any Members' meeting they are not entitled to vote and therefore those Trustees who are not also Members do not count in the quorum.

The Members present appoint the chair of the meeting. There is no formal position of Chair of the Members.

3. Meetings of Trustees

The Trustees must meet at least three times in each school year.

The Chair (or vice-Chair in the absence of the Chair) and any three Trustees may require the Clerk to convene a meeting at any time and the Clerk must convene it as soon as reasonably practicable.

Seven clear days' notice, together with the agenda, must be given i.e. for a meeting to be held on a Thursday notice must be given on or before the Wednesday one week before, but the Chair (or vice- Chair in the absence of the Chair) can direct shorter notice on the grounds of urgency.

There must be a quorum present which is normally whichever is the greater of three Trustees or one-third (rounded up) of the total number of Trustees holding office at the time – i.e. don't count vacant positions. The quorum required for a vote to remove a Trustee or to remove the chair is two- thirds of those present and entitled to vote. Note that there are special procedures set out in the Articles that have to be followed to remove the chair or vice-chair from office.

4. What is a Meeting?

Under the Articles, the definition of a meeting covers not just the situation when all are present but also a video conference, an internet video facility or similar electronic method allowing simultaneous visual and audio participation and telephone conferencing. In other words, a meeting can be convened with people taking part remotely. That covers meetings of the Members (which usually will only rarely be needed) and the more regular meetings of the Trust Board. Members may also “attend” Members’ meetings by giving another person a proxy vote but Trustees and LAB members cannot do this.

The condition for being entitled to attend remotely is that the person concerned has given notice of the intention to do so by giving appropriate contact details at least 48 hours before the meeting. Of course, this also depends on having the necessary equipment! Note that this is a right that an individual Trustee has. The other Trustees can agree not to insist on the 48 hours’ notice.

There is also a provision under which a resolution of the Trustees that all Trustees agree with, can be passed by getting each Trustee to sign a copy of the resolution and without having to hold a physical meeting – you can have several copies as long as, in total, every Trustee has signed.

Note that there is no provision for making decisions by email or by separate telephone conversations. Under exceptional circumstances Trustees might agree to approve documents remotely. This will be specified in the minutes of the meeting.

5. Generally

So far as LABs are concerned, the Trust Board can specify the procedures to be adopted. Normal good practice indicates that LABs should follow the same rules. Again, as a matter of good practice all meetings of Members, Trustees, LABs and their respective committees should be clerked. This is especially important in relation to exclusion reviews.

All meetings should be minuted. Minutes should be concise and impersonal. They should record the topics discussed, the main points raised, the conclusions reached and, briefly if appropriate, the reasons for decisions. Where questions and answers need to be minuted as evidence of challenge, it is better practice that the questioner is not identified but the respondent should be.

Reporting back should be by way of tabled minutes. All decisions taken under delegated authority (which does not extend to internal organisation management or control of the AT or any constituent school) must be reported also to the next Trust Board meeting. Minutes of those decisions should, therefore, be reported to the Clerk who will ensure that they are tabled for the AT.

APPENDIX FOUR: LOCAL ADVISORY BOARD TERMS OF REFERENCE

Context:

Local Advisory Boards (LABs) are at the heart of EMAT. Appointed by and reporting to the Board, they provide effective day-to-day oversight of EMAT academies. LABs are the face of EMAT in the community and are responsible for championing EMAT's mission, vision and values. Members of the LAB will be known as 'Governors' and will be listed on the Get Information for Schools website.

Each LAB has a Standards & Performance committee chaired by an independent chair appointed by EMAT. The main purpose of the S&P is to focus on challenging and supporting the quality of provision and educational outcomes for young people at academy level.

LAB Core functions:

The core functions of the LAB are:

- Champion EMAT's vision and values throughout the academy and wider community, nurturing a culture of consistent high expectations from all
- Ensuring compliance with EMAT Safeguarding and HR policies, promoting well-being, equality, diversity and tolerance amongst staff and students
- Support, monitor and challenge the Headteacher against targets set by EMAT for the academy
- Regular community engagement, ensuring that systematic arrangements are in place to hear and respond to the voices of all stakeholders.
- Monitoring the performance of the academy with particular respect to the progress and attainment of individuals and groups (including the most disadvantaged and SEN), pupil well-being and staff appraisal
- Monitoring the use of certain resources to ensure best value.
- Ensuring appropriate use and probity of targeted funding, such as pupil premium and sports funding
- Conduct annual self-effectiveness/skills audit reviews to identify training requirements and ensure robust governance at academy-level.

The extent of responsibilities for all LABs are outlined in the agreed **Scheme of Delegation**. It is the responsibility of all local governors to familiarise themselves with this document.

As part of the Local Advisory Board (LAB), a governor is expected to:

1. **Contribute** to the strategic discussions at governing board meetings which determine:
 - the vision and ethos of the school
 - clear and ambitious strategic priorities and targets for the school
 - that all children, including those with special educational needs, have access to a broad and balanced curriculum
 - the school's budget (when delegated), including the expenditure of the pupil premium allocation
 - the school's staffing structure and key staffing policies
 - the principles to be used by school leaders to set other school policies

2. **Hold** the senior leaders to account by monitoring the school's performance; this includes:
 - agreeing the outcomes from the school's self-evaluation and ensuring they are used to inform the priorities in the school development plan
 - considering all relevant data and feedback provided on request by school leaders and external sources on all aspects of school performance
 - asking challenging questions of school leaders
 - ensuring senior leaders have arranged for the required audits to be carried out and receiving the results of those audits
 - ensuring senior leaders have developed the required policies and procedures and the school is operating effectively according to those policies
 - acting as a link governor on a specific issue, making relevant enquiries of the relevant staff, and reporting to the LAB on the progress on the relevant school priority
 - listening to and reporting to the school's stakeholders: pupils, parents, staff, and the wider community, including local employers

3. **Ensure** the school staff have the resources and support they require to do their jobs well, including the necessary expertise on business management, external advice where necessary, effective appraisal and CPD (continuing professional development), and suitable premises, and that the way in which those resources are used has impact.

4. **When required, serve** on panels of governors to:
 - support appointing the Headteacher and other senior leaders
 - hear the second stage of staff grievances and disciplinary matters
 - hear appeals about pupil exclusions
 - hear third stage of complaint process

The role of a governor is largely a thinking and questioning role, not a doing role.

A governor does NOT:

- write school policies
- undertake audits of any sort – whether financial or health and safety – even if the governor has the relevant professional experience
- spend much time with the pupils of the school – if you want to work directly with children, there are many other valuable voluntary roles within the school
- fundraise – this is the role of the PTA, the governing board should consider income streams and the potential for income generation, but not carry out fundraising tasks
- undertake classroom observations to make judgments on the quality of teaching – the governing board monitors the quality of teaching in the school by requiring data from the senior staff and from external sources
- do the job of the school staff – if there is not enough capacity within the paid staff team to carry out the necessary tasks, the governing board needs to consider and rectify this

In order to perform this role well, **a governor is expected to:**

- get to know the school, including visiting the school occasionally during school hours and gaining a good understanding of the school's strengths and weaknesses
- attend induction training and regular relevant training and development events
- attend meetings (full governing board meetings and committee meetings) and read all the papers before the meeting
- act in the best interests of all the pupils of the school
- behave in a professional manner, as set down in the governing board's code of conduct, including acting in strict confidence

Composition and nomination of the LAB

EMAT LAB should contain a minimum of 9 governors and a maximum of 12 governors:

- A minimum of two Parent governors (elected)
- Headteacher as an ex officio member
- One staff governor (elected)
- A Minimum of two and up to five co-opted governors appointed by the LAB
- Up to three co-opted governors appointed by EMAT (staff serving in other EMAT academies or EMAT central team)

No Trustee may be appointed to serve as a Governor, without this being expressly sanctioned by the Trust Board.

Terms of Office

The length of service of all local governors shall be four years. Subject to remaining eligible to be a local governor, any local governor may be reappointed or stand for re- election at the end of his or her term.

Commitment

Being a local governor brings a responsibility and it is important, particularly with small local bodies that everyone fully commits to the role.

Local governors are expected to:

- prepare for and make an active contribution at meetings of the LAB;
- champion the academy in the local community;
- familiarise themselves with the academy and visit both during school hours (with prior arrangement with the Headteacher) and for evening events
- to get to know the academy and to be visible to the academy community;
- and attend training sessions for local governors, where possible.

Ceasing to be a local governor

A local governor's term of office will be terminated if:

- any event or circumstance occurs which would disqualify him or her from the office of Trustee under the Articles were he or she to hold such office;
- he or she has, without the consent of the LGB, failed to attend LGB meetings for a continuous period of six months, beginning with the date of the first such meeting he or she failed to attend and the Chair and the Vice Chair agree that the term of office should be terminated;
- he or she resigns from office
- he or she is removed from office by the Trust Board.

Personal interests of Local Governors

Local governors shall complete a register of their business interests, which shall be reviewed annually and published on the academy website.

Any local governor who has any personal interest that conflicts or may conflict with the academy's work must declare it.

A local governor must absent himself or herself from any discussions of the LAB in which it is possible that a conflict will arise between his or her duty to act solely in the interests of the academy and such duty or personal interest.

If the local governor does not withdraw from the meeting for that item because he/she has been expressly invited to remain in order to provide information, he/she must not be counted in the quorum for that part of any meeting; and have no vote on the matter

Governor Appointments

It will be essential to ensure that the Governors have the necessary skills and attributes required to contribute to the effective governance and success of the school and a skills audit will need to be completed in order to inform appointment decisions.

The LAB shall keep their skills under review and shall promptly notify the Trustees in the event that they do not feel they have an appropriate range of skills and experience to effectively carry out their functions. Due attention will be given to succession planning.

The appointment of LAB governors will be overseen by the Head of Governance and CEO. Every person wishing to become a local governor will be required to sign a declaration of acceptance and of willingness to act as a local governor as well as undertake a DBS check.

The following outlines the particular requirements that will apply to each type of Governor:

Staff Governors

- The LAB (supported by the Headteacher) shall be responsible for the election Staff Governors.
- In order to be eligible for election as a Staff Governor, an individual must be employed under a contract of employment to work at the school. A Staff Governor cannot be the Headteacher.
- The LAB shall invite nominations from staff and, where there are any contested posts, shall hold an election by a secret ballot. All individuals eligible to serve as a Staff Governor shall be entitled to vote in the election.

Parent Governors

- The LAB (supported by the Headteacher) shall be responsible for the election Parent Governors.
- In order to be eligible for election as a Parent Governor, an individual must be a parent of registered pupils at the school.
- The LAB shall invite nominations from parents and, where there are any contested posts, shall hold an election by a secret ballot. All individuals eligible to serve as a Parent Governor shall be entitled to vote in the election.
- If no parents put themselves forward for election the number of Parent Governors required shall be made up by Parent Governors appointed by the LAB.
- In appointing a Parent Governor, the LAB shall appoint a person who is the parent of a registered pupil at a school within the Trust; or where it is not reasonably practical to do so, a person who is the parent of a child of compulsory school age.

LAB Co-opted Governors

- In order to be eligible for appointment as a Co-opted Governor, an individual must, in the opinion of the Local Advisory Board, have the skills required to contribute to the effective governance and success of the school.
- The LAB shall be responsible for identifying suitable Co-opted Governors. All Co-opted Governor appointments must have the prior approval of the Chair of the Board of Trustees.

EMAT Co-opted Governors

- EMAT Co-opted Governors will be members of staff serving across the trust.
- They shall not be members of staff in the school they govern.
- They will be expected to act as independent governors.
- Joining the LAB will be considered part of their professional and leadership development, adding valuable experience of strategic leadership.
- Where possible, they will be given time to complete monitoring visits during school hours

LAB governors will nominate and select their Chair and Vice-Chair for each academic year, from 1 September to 31 August for approval by the Board. The selection should take place at the last meeting of the Summer term in the preceding year or at the first meeting of the Autumn term for the current year. The Head of Governance and LAB Clerk are to be notified within seven days of selection. Where there is more than one nomination for the role of Chair a secret ballot will be arranged by the minute taker, with guidance from the Head of Governance where required. The Chair should not be a staff member of the academy.

All LAB governors are expected to visit the academy at pre-arranged times to take part in an agreed programme of monitoring activities and support with various academy events. Governors will also be required to complete the annual skills audit and attend the Annual Governance Conference and identified Governance training opportunities.

The LAB Clerk will maintain a list of all Chairs, LAB governors and their terms of office. The LAB Clerk is responsible for providing the Head of Governance with termly updates.

LABs must appoint from its membership the following link governors:

- **Safeguarding**
- **Pupil Premium**
- **SEND**
- **Wellbeing**

LABs should appoint from its membership some **Priority governors** linked to the school priorities as detailed in the School Improvement Plan.

The LAB Chair should act as the **Stakeholder Link Governor**.

Governors acting as Link governors should not work for the school where they govern.

EMAT Co-opted Governors cannot be appointed Chair of the LAB.

Proceedings

- The LAB shall meet at least 4 times a year.
- The S&P LAB committee shall meet at least 3 times a year. The S&P committee will be chaired by an independent chair appointed by EMAT.
- Dates – including times and venues - for meetings will be published at the start of each year.
- 51% of the governorship (excluding vacancies) is required for a meeting to be quorate.
- In the absence of the chair the vice-chair will chair the meeting.
- If the vice chair is also absent, the LAB shall choose an acting chair for that meeting from among their number.
- EMAT has set standing items on agendas for meetings at all levels of governance to ensure that all statutory duties are undertaken.
- LAB & S&P Agendas will be agreed between the Chair and the Headteacher, facilitated by the LAB clerk and will be published at least a week in advance of each meeting.
- Minutes will be taken to record the proceedings and decisions of all meetings of the LAB and its S&P committee, including recording names of those present and in attendance and, apologies and explanation for those not able to attend.
- Minutes will be stored on the EMAT Governance platform and be monitored by the CEO and Head of Governance.
- Any decisions taken must be determined by a majority of votes by the LAB members present – but no vote can be taken unless a majority of those present are governors
- Chairs and Vice-Chairs are expected to attend the Chairs Forum
- LAB Chairs will provide reports and updates to the Trust Board as required, but with a minimum annual report.

Chairs' Forum

The Chair of Trustees should meet regularly (at least three times each school year) with the Chairs and Vice-Chairs of Academy schools. The key responsibilities and purpose of the Chairs' Forum are:

- To receive a regular information update from the Board of Trustees
- To ensure that information from the Board is disseminated to each Local Board
- To provide feedback on areas of consultation requested by the Board
- To ensure that relevant issues from Local Boards are reported to Trustees
- To provide an environment for open and honest discussion on matters of celebration and/or improvement.

Further information to fulfil the governance role will be distributed regularly by the clerk of the board and will be accessible from the Governance Platform.

APPENDIX FIVE: CONFLICTS OF INTEREST AND THE NOLAN PRINCIPLES

Conflicts of Interest

Trustees and all who have delegated responsibility are required to ensure that no conflict of interest arises. They are required to disclose and declare any business interests.

The current Articles provide:-

“Any [Trustee] who has or can have any direct or indirect duty or personal interest (including but not limited to any Personal Financial Interest) which conflicts or may conflict with his duties as a [Trustee] shall disclose that fact to the [Trustees] as soon as he becomes aware of it. A [Trustee] must absent himself from any discussions of the [Trustees] in which it is possible that a conflict will arise between his duty to act solely in the interests of the Academy Trust and any duty or personal interest (including but not limited to any Personal Financial Interest).”

A “Personal Financial Interest” is defined in Articles 6.5 to 6.9 and is widely drafted to include companies in which the Trustee has an interest as well as interests of family members and those with whom the Trustee has business or other close relationships

The Nolan Principles

All Trustees and those with delegated responsibility are required to observe the Nolan Principles which are:-

Selflessness: Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

Integrity: Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity: In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

Accountability: Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Openness: Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Honesty: Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership: Holders of public office should promote and support these principles by leadership and example.

APPENDIX SIX: GOVERNANCE ORGANISATION AND FUNCTIONALITY

Good governance depends on efficient organisation and systematised reporting. Key to this is a properly qualified Company Secretary or equivalent who has overall responsibility for organising meetings and arranging the clerking of all governance levels from Member meetings to LAB sub- committees. The function of anyone clerking a meeting is to provide impartial advice on legal and procedural aspects that arise at the meeting or to procure such advice from the Trust's advisors and report accordingly. Clerks at all levels, therefore, need to have appropriate skills in accordance with the DfE Clerking Competency Framework.

The following principles should be followed:-

1. This Scheme of Delegation must be reviewed annually at the first TB meeting of the academic year and all committee and LAB appointments confirmed. Decisions are not validly taken unless the delegation chain is clear.
2. A programme of meetings at all levels should be set for the whole academic year. The timing of meetings should take into account
 - When and by whom time-bound decisions, e.g. budget-setting, approval of accounts, setting of admission arrangements, determination of pay, need to be made
 - Sufficient time for consideration of reports by those to whom decisions are to be reported
 - Sufficient time for preparation of papers for decision-makers to consider.
3. Due notice of meetings should be given with an agenda and accompanying papers. The tabling of papers at a meeting is poor practice and should be avoided except in emergency. It is the responsibility of professional staff whose function includes reporting to Trustees or Local Governors to ensure that papers produced by them are available for circulation in good time
4. All meetings should be minuted. Minutes:
 - a) Should not be verbatim
 - b) Except in relation to professional staff, should not identify individuals unless that is necessary in the context of the discussion that is noted
 - c) Should be concise, setting out the subject of the discussion, the main points raised, the responses to challenge where that is material, the decision reached and, where relevant, a brief note of the reasons
 - d) Should be written up in draft and submitted to the chair of the meeting within 10 working days of each meeting
 - e) Should be approved by the chair within 5 working days whenever practicable
 - f) Should be sent once approved by the chair by way of report to the chair of the TB or the chair of the relevant TB committee according to where the reporting line is.
 - g) Should be formally approved at the next meeting of the TB or committee in question and any amendments noted.
5. Minutes of meetings of committees form part of the paperwork of the body to which the committee reports and must be circulated to all members of that body. Where that body meets before the minutes in question have been formally approved under 4 g. above, they should be clearly marked as drafts and the approved version should be circulated subsequently if material changes have been made.
6. It is the responsibility of the Clerk to ensure that all publication requirements are met
