

SUPPORTING ASD THROUGH HIGH QUALITY TEACHING

Thinking about how reasonable adjustments in class make teaching accessible to all

In partnership with
Target Autism

Date: Tuesday 1st November 2022 - 9am to 12.45 (including lunch)

**Venue: EMAT Training Hub, Pyramus House, Roman Way,
Grange Park, Northampton NN4 5EA**

The aim of this session, will be to provide you with:

- Strategies for the mainstream classroom based upon specific needs of a child with Autism.
- Discussions around children in your classrooms and mapping out what strategies might work for the needs they present.
- This course will allow you to take away strategies that you can trial within your own classrooms to support children with Autism and their specific needs.

Aimed at Teachers/TAs/HLTAs/SENCOs/ Pastoral Staff – Primary & Secondary

Should you wish to attend this training session please email: training@emat.uk

Lunch will be provided, please inform training@emat.uk of any dietary requirements at least 48 hours prior to the booking.

**£60 per person
including lunch**
